

ecoFLEX Power 3 Pole Armoured Flying Tee

The **ecoFLEX** Armoured Power Tee is provides a power in and power out facility enabling low level power circuits to be connected in series. The tee would be fitted to a fan coil unit or independently fixed in the ceiling void. The tees can be free issued to a third party manufacturer for assembling into their equipment.

Tees can be supplied either with 3 core LSOH flexible cable or flexible metal conduit containing 3 core LSOH cable. An integral bus version is available as a 5 pole system with 2 poles for bus.

The unit is connected via interlink leads. Please see data sheets for 3 and 5 pole Power Interlink Leads.

Part Numbers are:

LC-AWFT33401 for 1m drop
LC-AWFT33403 for 3m drop

Metal Housings: Bright Spangled Galv - BSEN10142:2000

Protection Class: IP20

Conduit: Galv - BSEN50086 **Current rating:** 25A **Voltage rating:** 400V/6kV/3.IEC60664

Manufactured to BS8488
